

**Director of Physician Relationship Development
Diversified Clinical Services
Jacksonville, FL**

Diversified Clinical Services (DCS), www.diversifiedcs.com, headquartered in Jacksonville, Florida, is seeking an energetic, innovative healthcare leader who is able to pioneer and develop a new national corporate marketing and sales program model, centered on educating physicians, other clinical referrers, and the community about specialized Wound Care.

Reporting to the Executive Vice President of Marketing, this person must be a strategic corporate thinker, willing to develop innovative concepts aligned with company goals, internally sell these concepts and implement the integrated strategies across 300+ wound care centers. Successful candidates will demonstrate strong strategic and analytical acumen, project management, program implementation skills, and have a sound understanding of referral development. Candidates must have previous experience within healthcare, knowledge of the working environment for practicing physicians and clinicians, and have worked with physicians closely in referral development.

A Bachelor's degree is required; Master's degree in business management or marketing is highly preferred. 4+ years experience in referral development, marketing strategy, product management, service line development, strategic planning and analytical experience are required. Must have a background in either healthcare, hospitals, physician management, pharmaceuticals and medical device are preferred.

Generous incentive, benefits and relocation assistance available.

If you, or someone you know, meets these qualifications and is interested in applying, please contact us at recruitment@corporatehealthgroup.com or by telephone 888-334-2500, ext 250 for more information about this position.
